About the Founder

07.

Since their generation, **Mr. Kishor Odedra** and **Mr. Vanraj Odedra**, sons of **Shri Rajshibhai Odedra**, have carried forward the family values of **business acumen and ethics**. Guided by their father's timeless advice -

“ Never lose your values. Always keep your ethics ahead of business and never compromise on safety standards for the sake of money ”

- they have built **Concord Construction Pvt. Ltd.** on the pillars of integrity, quality, and trust.

Kishor Odedra – Director

Mr. Kishor Odedra, Director of Concord Construction Pvt Ltd Started his entrepreneurial journey in **Real Estate and Civil Construction** before diversifying into **offshore businesses at various ports across India**. He also expanded into the hospitality sector by undertaking the **restoration of a heritage property, “Anant Niwas” (King’s Palace)**, located at Village Khambhala near Porbandar.

As Director, Kishor plays a pivotal role in steering the growth and strategic direction of Concord Construction Pvt. Ltd. His **extensive industry knowledge, entrepreneurial spirit, and commitment to excellence** ensure that the company remains at the forefront of the **Power & Energy and Civil Construction sectors** and **Land Developers**.

Vanraj Odedra – Managing Director

Mr. Vanraj Odedra, after graduating from GLS Ahmedabad, embarked on his entrepreneurial journey. With hands-on experience in the **erection and installation of transmission lines and substations for wind farms**, he has built a strong foundation in the **Power & Energy domain**.

Dynamic and forward-thinking, Vanraj brings **exceptional management skills and business insight**, both of which play a crucial role in the success of Concord's projects. Coming from a respected business family, he is deeply committed to fostering a **collaborative, family-like work culture** where every team member feels valued, supported, and motivated to deliver their best.

His vision is to **expand the company's global footprint** and establish **Concord Construction Pvt. Ltd.** as a **multinational powerhouse in the Power & Energy and Civil Construction industry**. As he proudly says: **"We don't hire experts. We make them here."**

Our Story

11.

Concord Construction Private Limited

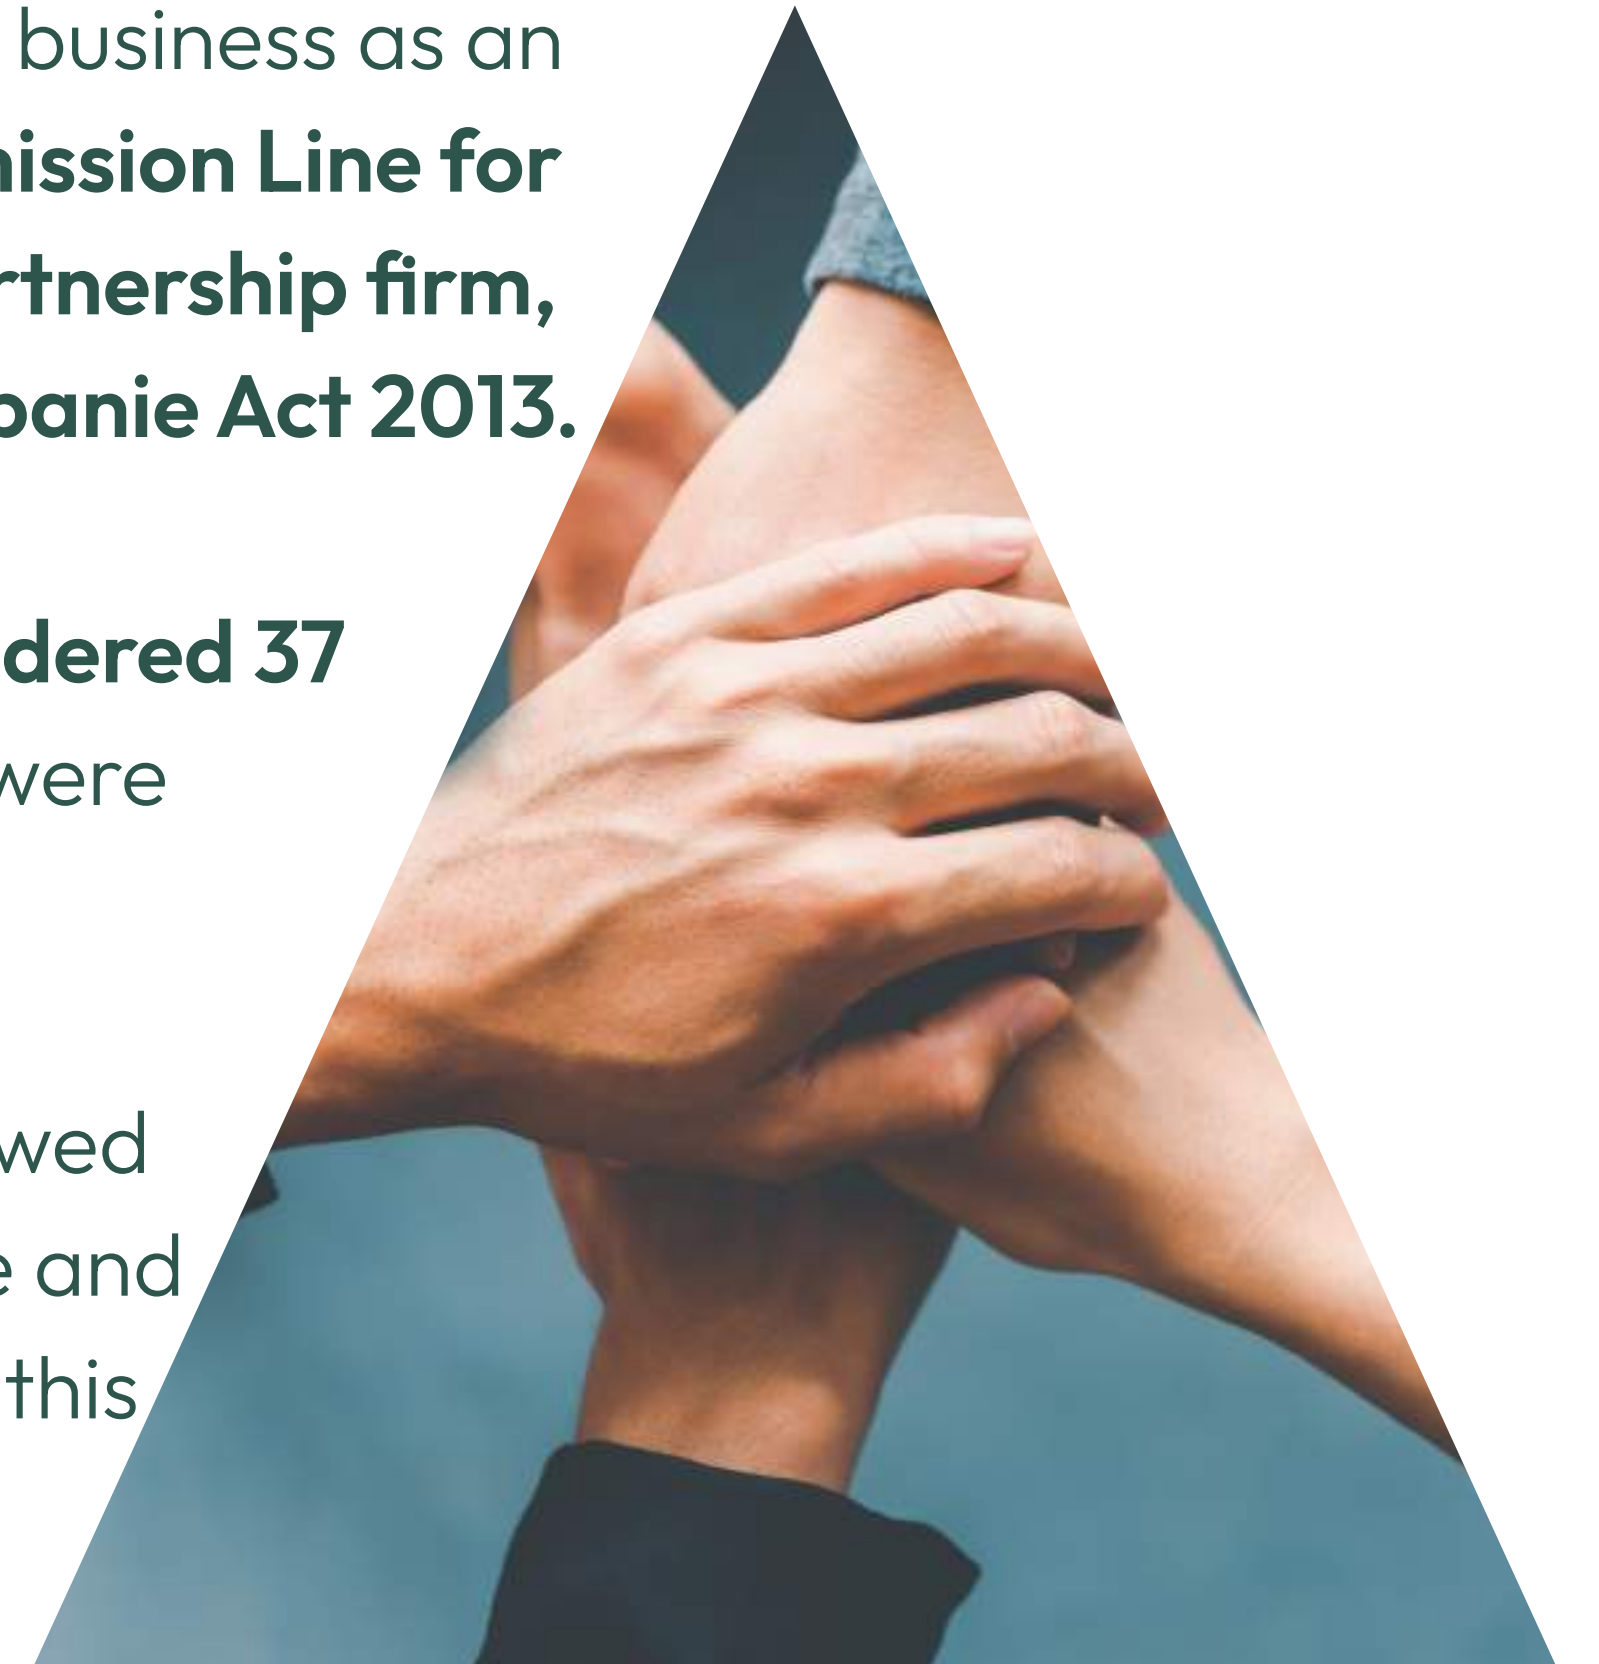

Our Story

After his graduation, when **Mr. Vanraj Odedra** was aiming to carve his name in business as an entrepreneur, he came across a great opportunity to construct an **EHV Transmission Line for the 66KV Ranavav–Bagvadar Line** for **GETCO**. In 2009, he incorporated a **partnership firm**, which was later converted into a **company under Chapter XXI as per the Companies Act 2013**.

The uniqueness of this project was that, for various reasons, it had been **re-tendered 37 times**. The tender-assigning authority, officials, and even the common people were suffering due to the repeated delays.

When Mr. Vanraj came to know about this, he took it up as a challenge and showed interest in completing the project **within the stipulated time**. With the guidance and vision of **Mr. Kishor Odedra and Mr. Rajshi Odedra**, he successfully completed this extremely challenging work while maintaining the desired **quality standards**.

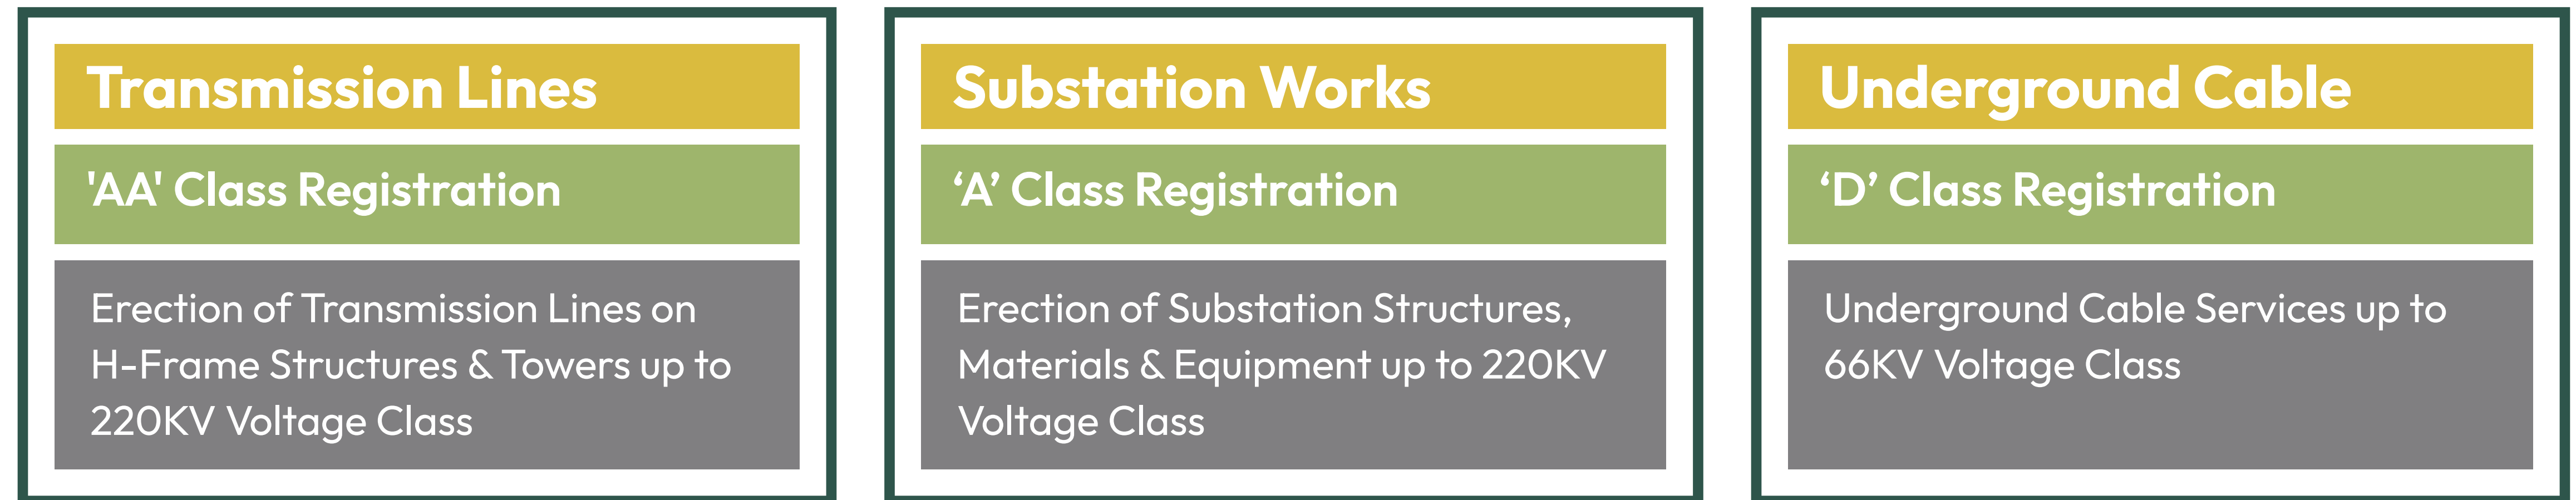

This was no small project - it was valued at **97 Lakhs**. Its successful completion opened doors to many more opportunities. Following this, the company undertook **EHV Transmission Line** and **Civil Work for Suzlon** at the villages of **Oddar and Chhaya**.

From there, there was no looking back. The company has consistently strengthened its credentials and upgraded its registration status with reputed government departments and authorities.

The company presently holds the following classifications:

GETCO Registration

CIVIL Work

Civil Agency

'A' Class Civil Agency

Registered and approved by the
Irrigation Department

Concord Construction Pvt. Ltd. is fully eligible to undertake **EPC and Turnkey projects**, delivering complete end-to-end solutions with reliability and excellence.

Concord
Construction Private Limited

Key Objective

15.

Company Key Objective

• Take Up Challenges

We aim to take up more and more challenging tasks while working with **GETCO** in their project and to executing them with a strong sense of **responsibility, safety, and security**.

• Enter New Fields

We look forward to expanding our expertise by working with **Railways, Electric Companies, Military and Armed Forces**, as well as engaging in **commercial construction projects** that serve the community.

Deliver Excellence in Power Energy, Civil and Land Developers

We are committed to consistently delivering **projects of the highest quality**, meeting and exceeding client expectations. From **planning and design to execution and completion**, Concord strives for excellence in every aspect of **Erection, Installation of Transmission Lines, and Civil Construction**.

• Foster Innovation and Technology

We embrace **innovation** and leverage **advanced technologies** to enhance construction processes and improve project outcomes. By continuously exploring new **methods, materials, and technologies**, we aim to stay at the **forefront of the industry**.

• Ensure Safety and Occupational Health

We place the utmost importance on the **safety and well-being** of our workforce, subcontractors, and stakeholders. To achieve this, we enforce **stringent safety protocols, conduct regular training**, and maintain compliance with all **occupational health and safety regulations**.

• Enhance Employee Development and Engagement

Our employees are the **driving force** behind our success. We are committed to providing a **supportive and inclusive work environment** that fosters professional growth, encourages teamwork, and recognizes and rewards employee contributions.

• Expand Market Presence

We seek to expand our market presence by targeting **new opportunities** and diversifying our project portfolio. This includes exploring **national and international markets, forging strategic partnerships,** and undertaking projects that align with our **expertise and long-term vision.**

By pursuing these objectives, **Concord Construction Pvt. Ltd.** aims to sustain its **growth trajectory, strengthen its market presence,** and contribute significantly to the advancement of the **Power & Energy, Civil Construction** and **Land Developers industry.**
